

Guidance, Support and Peace of Mind

Financial Arrangements

Hillcrest Firethorn accepts Medicare and most private insurance plans for rehabilitation. For long-term care, we accept long-term care insurance, private pay and Nebraska Medicaid. Our team can help families understand coverage and financial considerations.

Smooth Transitions

When it's time to return home or move to another level of care, our team will coordinate a seamless transition. We work closely with Hillcrest Home Care and other Hillcrest services to ensure continuous support.

Built on a Strong Reputation

We've earned our reputation for trusted, high-quality care in Lincoln. Each resident and guest benefits from our dedicated team's commitment to safety, comfort and the best possible quality of life.

We want to meet you!

If you're exploring post-acute rehabilitation or long-term nursing care, we're here to help you navigate the next step with confidence. Contact us to schedule a visit, ask questions, discuss financial arrangements or learn more about our services.

POST-ACUTE REHAB & LONG-TERM CARE

Lincoln's Premier Care Provider

Hillcrest Firethorn is known throughout the Lincoln community for exceptional post-acute rehabilitation and compassionate long-term nursing care. Families choose Firethorn because of its strong reputation for quality, consistency and a caring team that treats every guest and resident like family.

Whether recovering after a hospital stay or seeking a supportive long-term setting, residents enjoy a welcoming environment where comfort, dignity and personalized care come first.

Recovery

Designed Around You

Your rehab care plan is tailored to your individual situation and recovery goals. The nursing team provides 24-hour care, helping with wounds, IVs, medications and any other medical needs.

Therapy plans are delivered by Hillcrest's physical, occupational and speech therapists — never contracted providers — who focus on helping guests regain strength, mobility and confidence to safely return home.

Length of stay varies based on physician direction, achievement of rehab goals, insurance coverage and other factors. Your social worker will keep you informed about progress, help plan for discharge, and arrange for in-home services as needed.

Supportive Long-Term Nursing Care

Beyond rehab, Hillcrest Firethorn has become a trusted choice for long-term care in Lincoln. Residents requiring 24-hour nursing support enjoy the comfort of private rooms, dedicated caregivers and a warm community that values independence and quality of life.

Lifestyle Programs

A robust recreation program promotes engagement, social interaction and purposeful activity that reflects residents' interests and preferences.

Dining

Our culinary team, supported by a registered dietitian, provides delicious meals focused on quality, taste and nutrition. Meals can be enjoyed in our restaurant or in the comfort of your private suite.
