

Hillcrest's Network of Services

Hillcrest Home Care is part of Hillcrest Health & Living, a system designed to meet the needs of seniors at every stage of aging. Hillcrest's services in Lincoln include:

- **Hillcrest Firethorn**, a highly-regarded postacute rehab and long-term care facility
- **Hillcrest Hospice**, supporting patients and families with compassionate end-of-life care

Golden Referral Program

Should you have an urgent need to return to an inpatient setting, we can directly admit you to Hillcrest Firethorn for rehab and skip the hospital in many cases.

Hillcrest's mission is to inspire people to live their best lives. Learn more at HillcrestHealth.com

SKILLED HOME HEALTH

Excellent Care Provided at Home

When healing or managing a chronic condition, nothing feels better than being cared for at home. Hillcrest Home Care provides Medicare-certified skilled nursing and therapy services in Lancaster and Seward Counties, helping aging adults recover comfortably, safely and independently. Our home-based program is designed to improve health outcomes and reduce the risk of readmission.

We've earned a reputation for high-quality, personalized care delivered with compassion. Our team consistently achieves CMS star ratings that surpass the Nebraska and national averages, reflecting our dedication to timely, effective recovery and exceptional service.

Focused on *Recovery*

Our team partners with your physician to create a plan of care centered on your goals and your safety. Our nurses, therapists, home health aides and social workers will strive to help you reach your highest level of independence — whether you live in a private home or an independent or assisted living apartment.

We provide skilled nursing, therapy and post-hospital care with expertise in wound care, balance and fall prevention, chronic illness management and recovery after illness. We're always focused on reducing unnecessary re-hospitalizations and helping you get back to the life you want to live.

Therapy Expertise for Aging Adults

Our therapy team includes geriatric specialists and exercise experts committed to helping older adults regain mobility, confidence and safety at home. In-home therapy may include:

- Physical therapy
- Occupational therapy
- Speech therapy
- Nursing and home health aides
- Social work support

These services help improve strength, balance and daily functioning, all while supporting your independence at home.
