

Additional Support & Guidance for Families

Social Worker Support

Our social worker coordinates services that match each resident's unique needs, including therapy and hospice care when appropriate.

Therapy & Clinical Services

Residents may receive restorative care including physical, occupational and speech therapy to help maintain strength and daily functioning.

Medicaid Assistance

Our team can also guide families through the Nebraska Nursing Home Medicaid application process and help determine eligibility, providing clarity and helpful support.

Connection to Hillcrest Services

As part of the Hillcrest family, residents have priority access to Hillcrest's other services.

Learn More About Our Care

If you're exploring long-term care or memory care for your loved one, we're here to help. Contact us to schedule a visit, ask questions or learn more about our compassionate services.

LONG-TERM CARE

Compassionate Long-Term Nursing Care

Hillcrest Shadow Lake provides 24-hour nursing care and support in a warm, homelike setting where every resident is treated with compassion and respect. Families trust our long-standing tradition of caring in this location, where generations of older adults have received personalized support tailored to their needs and preferences.

Our dedicated team helps each resident maintain comfort, safety and dignity while enjoying delicious meals, fun-filled recreation programs and a true sense of community that feels like family.

Providing an Array of Supportive Services

At Hillcrest Shadow Lake, residents receive personalized, compassionate support designed to enhance comfort, safety and daily well-being.

Our long-term care team provides:

- 24-hour nursing care
- Assistance with bathing, dressing and grooming
- Medication administration and monitoring
- Nutritious meals and dining support
- Housekeeping and laundry services
- Recreation programs and social activities
- Mobility and transferring assistance
- Memory support for residents with dementia

These services help residents feel secure, connected and cared for every day.

Memory Support & Specialized Care

Caring for individuals with Alzheimer's or other forms of dementia requires patience, experience and specialized training.

Our Memory Lane neighborhood provides a secured, structured and calming environment where residents can thrive. Features include:

- Specialized dementia-trained team members
- Individualized programs and daily engagement
- Safe, fenced courtyard with gardens and sitting areas
- Supportive routines that promote comfort and independence

This approach helps residents feel safe and connected while supporting their cognitive, social and emotional well-being.
