

Compassionate, Specialized Care

Memory Care

Hillcrest Silver Ridge offers dedicated memory care in two secure, cottage-style households designed for comfort, safety and familiarity. Specially-trained team members focus on routine, meaningful engagement and individualized care plans that honor each resident's story and abilities, while providing families with peace of mind.

Respite Care

We also offer short-term respite care in a furnished apartment (based on availability) to accommodate caregiver travel, continued recovery after a rehab stay, or a trial experience in assisted living. Respite stays provide temporary support for caregivers and a comfortable, supportive environment for loved ones.

Our Continuum

As part of the Hillcrest family of services, residents also benefit from seamless access to therapy, home health, hospice and skilled nursing services if needed.

ASSISTED LIVING & MEMORY CARE

A Hometown Community You Can Trust

Hillcrest Silver Ridge has been a beloved part of the Gretna community for nearly a quarter century. As the area's first assisted living community, Silver Ridge has earned the trust of local families through compassionate care, strong relationships and a genuine commitment to the people who live here.

Nestled in a quiet neighborhood next to Gretna High School, Silver Ridge offers the comfort of a small-town atmosphere with the support residents need to live with dignity, independence and confidence.

An Engaging Lifestyle to *Enjoy Every Day*

Life at Hillcrest Silver Ridge offers comfort, choice and enjoyment through a wide range of amenities and experiences. Residents enjoy chef-led dining with a variety of delicious meals and snacks.

Our welcoming shared spaces throughout the community include a beautifully landscaped courtyard with gazebo and pond, a billiards room, library, ice cream shop, cinema, party room, Dragon Pub, McKinney's gift shop, a fitness gym and more. With so many places to gather, relax or stay active, residents can shape each day around their interests and enjoy a lifestyle that feels full and rewarding.

Personalized Assisted Living Support

Assisted living at Hillcrest Silver Ridge balances independence with compassionate support. Residents enjoy private apartments, three daily meals served restaurant-style, weekly housekeeping and laundry, scheduled transportation and access to engaging programs.

A dedicated care team, overseen by a licensed nurse, is available 24/7 to assist with medications, personal care and health monitoring as needed. Services are tailored to each resident's preferences and needs, allowing them to maintain independence while receiving dependable, respectful support in a place that feels like home.
